

Dear Student/Parent/Guardian,

GCSE Results 2020

Given the present concerns with Covid 19 and the guidance with social distancing, schools will need to reconsider how GCSE results are received this summer. To mitigate against large gatherings of students and parents, Pencoedtre High School will email GCSE grades to each student.

The email will be sent between 8 and 9 am on **Thursday 20th August**. Results will be sent to each student's **individual school Gmail account**, which students have been using to access Google classroom. If you cannot remember your Google username, it is structured -

firstinitialsurname15@pencoedtrehigh.co.uk E.g. mlewis15@pencoedtrehigh.co.uk

You will also require the password for your email address. If you have forgotten or misplaced this, please email googlepasswordreset.phs@valelearning.com with your name and registration form **as soon as possible**. If you still have concerns, please contact Mrs. Dix for further support.

In addition to emailing you we will also be posting your results to your son / daughter via traditional methods. However, it is unlikely that they will get to you on the Thursday in question.

Barry Sixth Form Registration

Students would normally register for Barry Sixth Form during the August GCSE results day. Social distancing will not allow for that procedure this year.

Students are invited to school to complete the registration process and select their A-Level subjects on **Friday 21st August**. To maintain social distancing, the school asks that students adhere to the following schedule:

Surname begins **A – D**, arrive at school **9:00am**
Surname begins **E – H**, arrive at school **10:00am**
Surname begins **I – L**, arrive at school **11:00am**
Surname begins **M – P**, arrive at school **12:00am**
Surname begins **Q – T**, arrive at school **1:00pm**
Surname begins **U – Z**, arrive at school **2:00pm**

Thank you for your patience and cooperation throughout this ever changing landscape.

Yours sincerely,

Mr Tyrone Davies (Head of School)
