

Virtual Open Evening - October 2020

We would have loved to open our doors to the year 5 and 6 community this month, but unfortunately, we all need to be keeping ourselves safe during these strangest of times. Instead, we invite you to spend some time on our virtual tour, hearing what we have to say, meeting our teachers and seeing our amazing students at work.

If you click on the links, you'll be taken to our YouTube channel where we do our best to show you the essence of Pencoedtre High School! Grab a cuppa, crowd around the iPad and LET'S GET STARTED!

First we ask you to click [HERE](#), to meet our Head of School, Mr Lee Humphreys, through our official promotional video. Mr Humphreys will tell you what makes Pencoedtre High School the number one choice for your child.

Now it's time to tour the school! Each link in the hexagons will take you to a different area of learning, where you can meet the teachers and see our students at work.

Finally, clicking [HERE](#) will take you on a virtual reality tour of our brand new building, due for completion in the Spring Term 2022.

We hope that this gave you a flavour of life at Pencoedtre High School. As the year develops, we are sure we will get the opportunity for your children to visit us safely. Other virtual opportunities for your children to familiarise themselves with us are also being planned. In the meantime, if you have any questions, please email the Assistant Headteacher overseeing transition 2021, Mr Mike Baker, on mbaker.phs@valelearning.com.
