

**EQUAL OPPORTUNITIES  
POLICY  
2019**

Responsibility:	
Review:	

## **Purpose**

The purpose of this policy is to outline Pencoedtre High School's promoting equality of opportunity in the management and organisation of the school including employment, the curriculum, extra curricular activities and the treatment of individuals.

## **Background**

This document details the school's commitment to equal opportunities and fulfilling its legal obligations under the Race Relations Act 1976, the Race Relations (Amendment) Act 2000, Sex Discrimination Act 1975, Equal Pay Act 1970, and Disability Discrimination Act 1995.

The Employment Equality (Sexual Orientation) Regulations 2003 and The Employment Equality (Religion or belief) Regulations 2003 also apply to equality of opportunity in employment.

This document sets out how the school intends to comply with this requirement. This policy is a positive commitment by the school to work towards equality of opportunity and to ensure that discrimination and harassment are combated.

## **A Scope**

This policy covers all employees of the school. Direct services such as catering, cleaning, ground maintenance and building contractors are outside the scope of the policy. However, it must be borne in mind that liability can be accrued if any school employee aids any such contractor to discriminate against any of its own employees or workers. Accordingly where relevant and reasonably possible all employees of the school should apply the principles of the equal opportunities policy to any dealings they have with any person engaged to carry out work for the school or on its premises.

This policy provides a framework for Governing Bodies and Headteachers to provide consistent support and guidance to their employees.

The policy covers all education and associated services for pupils and prospective pupils including extra-curricular activities and school trips.

## **B Statement of Values**

Set out the school's commitment to tackling discrimination and promoting equality of opportunity for example:

This School will work towards ensuring that the curriculum, extra curricular activities, organisation and management of the school shall be such that no individual within the school community will be denied opportunities or receive less favourable treatment on the grounds of sex, race, colour, nationality, religion, ethnic origin or disability.

This school embraces equality of opportunity in employment irrespective of age, disability, ethnic origin, nationality, gender, marital status, sexuality, culture and religion.

Unfair assumptions, stereotypes, prejudices and discrimination are all unacceptable in the drive towards equalities.

Pencoedtre High School strives to ensure that the culture and ethos of the school are such that, all members of the school community, will be equally valued and treat one another with respect. Everyone should be provided with the opportunity to experience, understand and celebrate diversity.

## **Principles**

### **C Promoting Equality of Opportunity in teaching and curriculum**

In order to make the whole curriculum and extra curricular activities (including school trips) accessible for all pupils at the School we shall foster a climate in which equality of opportunity is supported by a policy to which the whole school subscribes and in which positive attitudes to gender, equality, cultural diversity and special needs of all kinds are actively promoted.

Equal Opportunities is about assisting all children/individuals to fulfil their potential. There is a commitment to providing equal opportunities for all pupils and a recognition that preparation for life in a diverse and multicultural society is relevant, thus permeating every aspect of the National Curriculum.

Guidance for Personal and Social Education should enable pupils to:

- Recognise and value cultural differences and diversity
- Respect others, value their achievements and their uniqueness and recognise the importance of equality of opportunity
- Value and celebrate cultural difference and diversity
- Value cultural diversity and equal opportunity and respect the dignity of all
- Be moved by injustice, exploitation and denial of human rights
- Understand cultural differences and recognise expressions of prejudice and stereotyping
- Value cultural diversity and equal opportunity and respect the dignity of all
- Recognise and know how to challenge expressions of prejudice and stereotyping.

The School will take account of and challenge attitudes and stereotypes present in society, which consider that some subjects are less or more relevant for one gender than the other gender. The school will also deal explicitly with gender issues including peer pressure and sexual harassment as well as developing personal skills such as co-operation and negotiation and analyse resources for gender bias.

For pupils from ethnic minority backgrounds this school recognises that there may be a need for language support in the classroom and also take into account the fact that learning is likely to be influenced by different cultural backgrounds and different experiences. (see also Race Equality Policy).

Introducing multicultural perspectives into the curriculum will be a way of enriching the education of all our pupils. It will give pupils the opportunity to view the world from different standpoints, helping them to question prejudice and open mindedness.

Pencoedtre High School will not treat a pupil less favourably or discriminate against a pupil without justification by refusing admission to her or him to excluding her or him from the school for a reason related to the pupil's disability, race or gender. (Very limited permitted forms of selection may however act as a justification).

## **D Tackling Discrimination**

In this School any form of direct or indirect discrimination (less favourable treatment) on the basis of race, colour, nationality, culture, religion, origin, gender, sexual orientation, or disability (mental or physical) will be unacceptable.

This School is committed to showing respect and appreciation of individuals and to educating and preparing pupils to live in a culturally diverse society. This School is committed to remove unfair stereotypes and/or prejudices and barriers/obstacles to learning.

The following policies have been put in place to tackle discrimination harassment or bullying on the grounds of disability, ethnic origin, nationality, gender, sexuality, culture and religion:

Bullying Policy, Race Equality Scheme, recording racist incidents etc.)

## **E Employment**

This School will aim to ensure that every job applicant and employee receives equality of opportunity regardless of gender, sexual orientation, marital status, race, religion, colour, nationality, ethnic origin, age or disability and is not disadvantaged by any conditions or requirements which cannot be shown to be justified. Individuals will be selected, promoted and treated in their general employment on the basis of their relevant merits and abilities.

The Equal Pay Act specified that if a woman is employed on work that is either the same or equal to that done by a man in similar employment, the terms of the woman's contract should not be less favourable than those of a man's. Men may also make a complaint under the Act if they have been treated less favourably than a woman doing the same or equal work. Governing bodies will need to take the provisions of the Equal Pay Act into

account when exercising their powers in respect of the terms and conditions on which staff are to be appointed.

This extends to all school employees and potential employees and school governors.

The governing body will be responsible for defining jobs where there is a genuine occupational qualification or requirement (advice can be provided from the Council's Equality Section where required).
